School taxpayers

2018 BOND PROPOSAL FACTS

On November 6, 2018 our community will vote on a Holly Area Schools bond proposal. If approved by voters, this bond proposal would provide \$38,150,000 for district-wide improvements, with **no tax rate increase to taxpayers.**

This bond proposal was developed as a part of a long-term master plan for district facilities. Buildings and sites were assessed to determine and prioritize a list of facility needs throughout the district.

This bond proposal focuses on the highest priority projects, and concentrates on three key areas:

SAFETY & SECURITY

- Adding secure entrances at all school buildings
- Providing new door hardware for classrooms
- Adding video surveillance
- Improving exterior lighting and upgrades to fire alarm systems
- Addressing vehicular traffic challenges for pedestrian safety

BUILDING & SITE IMPROVEMENTS

- Improving building energy efficiency to extend their useful lives
- Replacing failing heating and cooling systems
- Replacing inefficient lighting and electrical systems
- Replacing aged roofing, inefficient windows and worn interior finishes
- Upgrading technology infrastructure
- Improving parking lots and sidewalks
- Improving elementary playgrounds

LEARNING ENVIRONMENTS

- Improving access to current technology and expanded wireless service
- Providing new instructional devices for students and staff
- Developing collaborative student-centered learning environments

Where Can I Get More Information?

For an overview of the bond proposal, please visit the district website. Building-specific project listings are on display at each school and on the district website: www.hask12.org.

Additional information will be provided at community forums. Check the district website for scheduling details.
