

Holly Area Schools

Excellence in Action!

August 9, 2024

Dear Broncho Students, Parents, and Staff,

It is with great excitement that I welcome you back for the 2024 - 2025 school year!

As the proud Superintendent of Holly Area Schools, I am honored to be part of a Broncho community that is committed to providing students with a world-class education that prepares them for future success and careers.

Our school community continues to rack up phenomenal achievements and I'm excited to announce that will continue in the new school year. In the coming weeks, we will officially open the new Construction Trades Center and Holly Stadium at Holly High School. Progress also continues at the Karl Richter Campus with the construction of the new Holly Middle School. Updates and pictures will continue to be posted this year on our district website.

The February 2024 launch of the new Strategic Plan, Holly Area Schools 2030, has also brought much momentum. Districtwide, we are empowering all Bronchos to shape their own learning journey through personalized meaningful, engaged learning experiences that provide real-life skills and resilience to succeed. We also continue to make many positive strides in safety and security, infrastructure and technology, and strong partnerships to strengthen the support for student learning and growth.

As part of this commitment, we will also be launching a new parent outreach program this year led by our district counseling specialist and family school liaison. We value our partnership with our parents and caregivers. It has a positive impact on student outcomes and supports a positive, nurturing learning environment that helps all Bronchos achieve and succeed.

The new school year will also welcome new staff to our Broncho family and hallways. Please join me in welcoming these outstanding educators to our wonderful school community.

I would like to take a moment to thank all of the Broncho staff working this summer to prepare our buildings for the arrival of our teachers and students. Everyone from maintenance, custodial, technology, office staff and building administration have been laser-focused and committed to preparing for the new school year.

There has truly never been a better time to be a Broncho, and I can't wait to see our amazing Bronchos when they **return to school on Monday, August 26th**. Together, we are committed to a culture of kindness, compassion, and respect in our schools.

Thank you for continuing to make Holly Area Schools a great place to learn and achieve!

#BronchoPride and #BronchosUnited!

Sincerely,

Scott M. Roper
