

# Holly Area Schools

*Excellence in Action!*

January 21, 2025

Hello HHS Families,

We will host our Winter Parent-Teacher Conferences on Wednesday, January 29th, and Thursday, January 30th! We will have one virtual and one in-person session:

- **Virtual** - Wednesday, January 29th, will be from 12 to 3 p.m. through Google Meet/Phone Call.
- **In-Person** - Thursday, January 30th, will be from 4 to 7 p.m. *in teachers classrooms*.

In addition to Winter conferences this year, we are inviting you to attend two valuable presentations during our in-person session on **Thursday, January 30th**:

- **4:00 pm, All Families** - An **anti-vaping informational workshop** hosted by the Adolescent Addiction and Recovery Center of Children's Hospital. Experts from the center will share insights on vaping risks, prevention strategies, and ways to help young people make healthier choices. To ensure your spot, please register using the link: [Sign Up Here](#). **Space is limited, so we encourage you to sign up as soon as possible.**
- **5:00 pm, Senior Families** - **Hands-on FAFSA Workshop** presented by the University of Michigan Financial Aid team. **Please have the following:** DOB, social security number, and active email address (student and parent for all of these). We would also recommend that parents bring 2023 tax returns just in case there is an issue when they are completing the FAFSA. Also, both parents **and** students must apply for their FSA ID **before the workshop** and have it ready. (You can create yours at [studentaid.gov/fsa-id/sign-in/landing](https://studentaid.gov/fsa-id/sign-in/landing)).

As in previous years, all parent-teacher conference sessions (virtual or in-person) must be scheduled using the Holly High School SchoolSoft Conference Manager. If you used this system previously, your login is still active. In that case, you'll simply need to log into the system at <https://holly.schoolsoft.com/> using your existing username and password, then make your appointments. **For our Virtual Session**, teachers will use our Google Meet Platform. Once you register and schedule a session, a virtual link will be mailed to your registered email address before the 29th.

If you do not remember your login information, please select the "Forgot username/password" link and enter your email address. If you have an email address in the system, you will receive a one-time link to reset your password. If your email is not in the system, please return to the main page and select the "Register Now" link.
