EXECUTIVE SUMMARY

At Holly Middle School, we firmly believe that well-informed students and parents promote a positive school environment. Consistent with this philosophy, we require that all students and parents review the Student/Parent Handbook to become acquainted with the various phases of school life. This document contains regulations, activities, clubs, expectations and other general information that will aid a student in becoming a productive, successful member of the school community.

Please note that the policies and procedures described in the Holly Middle School Student/Parent Handbook are subject to review and revision at the discretion of Holly Area Schools and/or the Holly Area Schools Board of Education. Revision(s) adopted for effective operation of the school will be posted for public review on the school and district website.

INTRODUCTION

Holly Area Schools believes when schools and parents work together, children feel a consistent level of support and encouragement, and they are given a uniform message about the value of a quality education. Our student, school, and parent partnerships shall be based on civility, the act of showing mutual respect toward one another.

Practicing civility and civil discourse allows everyone to share viewpoints and listen to each other. It does not mean we have to agree, but it means we can disagree respectfully.

It is through this foundation of respect that Holly Area Schools has developed the following Code of Ethics.

Holly Area Schools believes

- all students can reach their highest potential with the support of the entire community;
- effective communication is essential to building and sustaining positive school-family partnerships;
- in maintaining an environment that promotes the safety, dignity and growth of all students;
- in protecting the confidentiality and privacy of all students; and
- in resolving conflicts, whenever possible, privately, and respectfully in accordance with district policy.

Holly Area Schools expects all students, parents and staff

- to work together to promote a positive learning environment that supports continued growth and achievement for all students;
- to respect the dignity, worth, and uniqueness of each individual;
- to exhibit civil discourse, whether face to face, via phone, email, or social media, that supports the best interest of the school community;
- to support all students' educational, academic, personal, and social needs;
- to respect all students' values, beliefs, and cultural background(s);
- to challenge the limits of their academic, athletic, and social potential; and
- to use their knowledge and skills to develop the capacity of others.

Bronchos LEAD

The LEAD program, a Positive Behavioral Interventions and Supports (PBIS) initiative, stands as a cornerstone in promoting a nurturing and respectful school environment. Each letter in LEAD represents a key principle:

- **L** "Listen to Others" encourages active listening and understanding, fostering an inclusive community where every voice is valued.
- **E** "Encourage Everyone" focuses on building a supportive atmosphere, where students uplift one another and celebrate each other's successes.
- **A** "Act Responsibly" instills a sense of accountability, guiding students to make thoughtful decisions and take ownership of their actions.
- **D** "Display Kindness & Respect" emphasizes the importance of treating others with compassion and dignity, creating a positive and harmonious school culture.

Together, these principles form the foundation of the LEAD program, driving positive behavior and enhancing the overall learning experience.

HAS STUDENT-PARENT SCHOOL COMPACT

Students, Parents, and Staff all share responsibility for student learning. The Student-Parent-School Compact helps to set clear expectations and foster a collaborative environment that supports student success. The Compact is a reminder of how everyone contributes to a student's success.

RESTORATIVE PRACTICES

In order to support the beliefs and expectations of Holly Area Schools, our staff and leadership will utilize the Restorative Practices approach to developing and supporting civil and respectful relationships throughout our school community.

School-based Restorative Practices is an approach which engages the school community in positive interventions and behavioral supports. Restorative practices promote a culture of civility by nurturing safety, inclusion, respect, and positive relationships. The use of restorative practices strengthens relationships between individuals as well as social connections within the community enhancing the school's learning environment. Restorative Practices can be used to address misconduct, student conflict and repair harm. Restorative practices may result in a reduction of disciplinary action.

COMMUNICATING WITH SCHOOL LEADERS

As situations arise when students and parents may have questions or concerns with the educational process, it is important that open communication exists. Many questions can be easily answered by the educator directly involved in the class or program before it becomes necessary to move on to the next level. One of the easiest ways to communicate is via email, or a phone call. As a way to help parents effectively ask questions or communicate a concern, a "chain of command" process has been developed. Holly Area Schools leadership will follow the communication process below, and asks families to use this process as a reference when beginning their communications. You may also print a copy of this process and the contact information from our webpage [Chain of Command](#).

SOCIAL MEDIA GUIDELINES

Holly Area Schools utilizes social media (Facebook, Twitter, and other networking sites) to connect with our school families and the community for the purpose of sharing information rapidly. Our posts are intended to provide information about what's going on across the district. This information will often include various announcements, postings about upcoming events, promotion of clubs, teams, programs, academics, and celebrations of success. Specific questions or concerns will not be addressed on the district's social media sites, but rather through our "chain of command" process referenced on our district website and in our student/parent handbooks. Students, parents, staff, and community members are expected to use social media in a responsible manner that reflects the highest standards of honesty,

respect, and consideration of others. Under no circumstances will offensive or negative comments about students, staff, community, or the district be tolerated. Posts and comments should build and support a positive school community. Misuse of the District's social media sites could be regarded as a violation of these guidelines and may result in restrictions and disciplinary action in accordance with district and state policies.

NONDISCRIMINATION AND ACCESS TO EQUAL EDUCATIONAL OPPORTUNITY

Any form of discrimination or harassment can be devastating to an individual's academic progress, social relationship and/or personal sense of self-worth.

As such, Holly Area Schools does not discriminate on the basis of race, color, national origin, sex (including sexual orientation or transgender identity), disability, age (except as authorized by law), religion, military status, ancestry, or genetic information (collectively, "Protected Classes") in its educational programs or activities.

Holly Area Schools also does not discriminate on the basis of Protected Classes in its employment policies and practices as they relate to students, and does not tolerate harassment of any kind.

Equal educational opportunities shall be available to all students, without regard to the Protected Classes, age (unless age is a factor necessary to the normal operation or the achievement of any legitimate objective of the program/activity), place of residence within the boundaries of the District, or social or economic background, to learn through the curriculum offered in this District. Educational programs shall be designed to meet the varying needs of all students.

Complaints will be investigated in accordance with the procedures as described in Board Policy 2260. Any student making a complaint or participating in a school investigation will be protected from any threat or retaliation. The Compliance Officer can provide additional information concerning equal access to educational opportunity.

GENERAL INFORMATION

ATTENDANCE POLICY

Daily attendance at school is the first and most important step in preparing all Bronchos for success and the jobs of tomorrow. It is essential to school success, but too often students, parents and schools do not realize how quickly absences — excused and unexcused — can add up to academic trouble. Chronic absence — missing 10 percent of the school year, or just 2-3 days every month—can translate into third-graders unable to master reading, sixth-graders failing courses and ninth-graders dropping out of high school. Missing time in the classroom, for whatever reason, can never truly be recaptured.

The good news is this is a problem we can fix when schools and communities work with students and families, starting in the early grades to identify barriers to getting to school, help students overcome these barriers and cultivate a culture of attendance that encourages showing up every day even when it isn't easy.

Holly Area Schools is required by the State of Michigan to enforce the regular attendance of students. The district recognizes that the presence in the classroom enables the student to participate in instruction, class discussions, and other related activities. As such, regular attendance and classroom participation are integral to instill incentives for the student to excel.

As a reminder, the district recognizes the following factors to be reasonable excuses for time missed at school:

- Illness with an approved Dr. Note. **Dr. Notes/Medical Documentation should be turned into your school's building office within 5 school days.**
- Recovery from an accident
- Required court attendance
- Professional Appointments
- Death in the immediate family
- Observation or celebration of a bona fide religious holiday
- Such other good cause as may be approved by the Superintendent

When it comes to attendance: every day counts, and every Broncho matters.

To benefit from the primary purpose of the school experience, it is essential that each student maintain a regular and punctual daily attendance in all assigned classes. Because class attendance is necessary for learning and academic achievement, as well as for developing the habits of punctuality, dependability and self-discipline, it is a relevant objective criterion, which can be related to a student's course grade. The purpose of the attendance procedures is to help students develop these responsibilities and to maintain academic standards for earning passing grades. Compulsory attendance for all students shall be enforced in compliance with the laws of the State of Michigan. It is understood that student attendance is the parents' legal responsibility.

When a student is absent for any reason, parents must call or notify in writing to the attendance office (on the day of the absence or by 3:00 p.m. the following school day). Verifying your child's absence does not "excuse" them for the purposes of the attendance policy (it is used for auditing purposes).

BACKPACK/BOOKBAG AND OUTERWEAR POLICY

Backpacks, bookbags, and outerwear (including head coverings & hoods) may not be carried or worn in the school building during school hours. For a detailed description see page 15.

BUILDING SECURITY

Our school building is locked during instructional hours to ensure student safety. Please use the main entrance security intercom system when visiting during the school day. If parents/guardians are dropping off items, they can label the items and leave them in the secure entryway. If parents/guardians need to access the main office or see their child, please let the receptionist know. **To ensure availability of staff regarding questions or concerns, parents and visitors are encouraged to contact the office and set up an appointment.**

CANINE PROTECTION PROGRAM

In an effort to keep our schools and district premises free of illegal contraband, including illicit drugs, alcohol, weapons and gunpowder based items, school authorities may use specially trained, non-aggressive dogs to sniff out and alert staff to the presence of illegal contraband in school lockers and on school property.

CLOSED CAMPUS

In order to ensure the safety of students, we have established a closed campus policy. Simply stated, students are to remain on campus at all times during the school day. All requests to leave the building while school is in session, (including the lunch period), must be first cleared through the main office. Leaving school without permission is classified as truancy. In addition, all students who arrive late must sign in at the Front Office.

COMMUNICATION

Important information including school announcements, newsletters, calendar, bell schedule, etc. can be accessed online at <http://www.hask12.org/schools/holly-middle-school/>

CONFERENCES WITH SCHOOL PERSONNEL

Parents may make appointments for conferences with teachers, counselors, or the building administrators by calling the school office at 248-328-3400. 24-hour notice is recommended when scheduling a conference. Formal Parent/Teacher conferences are scheduled two times a year. The dates and times for these conferences can be accessed online at www.hask12.org/schools/holly-middle-school/

DEBIT CARDS/STUDENT I. D.

At the beginning of the school year each student will receive a debit card/Student I.D. that can be used to purchase food items in the cafeteria. Checks or cash can be credited to the debit card in the cafeteria before school begins each morning. This card is also used to check out books and sign-on to computers; students are asked to keep the card with them at school at all times. Replacement debit cards can be obtained for a \$4.00 fee.

DRESS

Holly Area Schools recognizes that each student's dress and grooming is a manifestation of personal style and individual preference. With that being said, students' dress and grooming choices may not interfere with the school's educational program. See 'Dress' description under Disciplinary Infractions.

ELECTRONIC DEVICES AND OTHER VALUABLES

Holly Area Schools values the partnership between parents and our school in fostering a positive and respectful community. Parent/Guardian involvement is essential in guiding their child's use of technology and promoting responsible behavior online. Together, we can create a supportive environment that nurtures the well-being and success of every student.

We have included helpful information about the dangers of smartphones and social media, as well as information on Internet safety and digital citizenship, on our district website.

While it is understood that the school district strives to create a safe and respectful environment for all students, the responsibility extends beyond the classroom.

We encourage our Parents/Guardians to:

- Regularly discuss the appropriate use of phones and social media with your child.
- Monitor your child's online activities to ensure they are using technology responsibly.
- Set clear rules and expectations for behavior on social media.
- Educate your child about the potential consequences of cyberbullying, harassment, and other inappropriate online behaviors.
- Utilize parental control tools and apps to help manage your child's phone usage.

By taking these proactive steps, you can help prevent incidents of misconduct and ensure a safer online environment for all students.

As a result of feedback from our students, parents/guardians, and staff, we are taking important steps to further address the growing concerns with cyberbullying, student mental health, and distractions in the classroom. Our updated policies and expectations are highlighted in this student handbook. These changes further support our district's priority to enact clear and effective safety and security measures in the event of an emergency.

Please note that Holly Area Schools may confiscate a cell phone or electronic device or turn a device over to law enforcement if we suspect it contains evidence of misconduct or illegal behavior, regardless who owns the phone. Additionally, Holly Area Schools and others who are harmed by a student's online behavior may seek to hold parents and guardians legally accountable.

EMERGENCY PROCEDURES/EVACUATIONS

At periodic times throughout the year, students will participate in fire/tornado/lockdown drills. These are important safety precautions for our students; therefore, it is essential that when the first signal is given, all students obey orders promptly and proceed to their designated area.

EXTRA-CURRICULAR ACTIVITIES

The Board of Education requires athletics and other student activities to be conducted in a fair and consistent manner. The administration has established standards, rules and guidelines for conducting these activities. Participation in them is a privilege, not a right. Students shall be informed by coaches/sponsors/employees of the conduct expected of them when they participate in such activities. Inappropriate conduct may result in the student's ineligibility to participate in extracurricular activities.

Middle school students who participate in athletic activities must meet all academic requirements as outlined in the current athletic handbook approved by the Board of Education. "Athlete" is defined by the Holly Area Schools as any of the following: a member of an athletic team, team manager, cheerleader, or student trainer. All athletes are expected to conduct themselves in a manner that is above reproach, and abide by all school rules whether at school or away from the school.

Hazing activities of any type are inconsistent with the educational process and will be prohibited at all times. Hazing is defined as any willful act done by a student, whether individually or in concert with others, to another student for the purpose of subjecting such student to humiliation, intimidation, physical abuse or threats of abuse, social or other ostracism, shame or disgrace. Permission, consent or assumption of risk by an individual subjected to hazing does not lessen the prohibition. For further details, see page 17.

FIELD TRIP GUIDELINES

Field trips are academic activities that are held off school grounds. Field trips are designed to extend curricular learning in a variety of areas for our students. HAS believes that providing students with opportunities for such experiential learning is an integral piece of our instruction. These high quality learning experiences often require chaperones. Chaperones play an important role in supporting the learning experience by aiding in the dissemination of information, managing students, providing a safe and secure experience and supporting the policies and practices of the district.

HAS believes all students who meet eligibility requirements, should have the opportunity to attend field trips that occur during the school day. All field trip permission slips must be filled out prior to the day of the field trip.

Students will not be allowed to call home the day of the field trip to get a permission slip signed. Siblings or other children are not permitted to attend field trips. In order to protect our students' privacy, please refrain from taking photographs of other people's children and sharing them on social media. The posting of photographs will be approved by school officials prior to publication. In addition, students must ride to and from field trips with the class, on the bus, unless prior arrangements have been made with the principal. If you believe that the required fees will present a hardship for your family, please contact your child's teacher.

Chaperones may be limited due to the capacity of the trip location or bus guidelines. When the number of chaperones exceeds the number of available spots, the following steps will be taken to select chaperones for an event.

- A random drawing (lottery) will be conducted to select participants.
- Participation will be limited to one adult family member per child.
- If a grade level has multiple field trips in one school year with limited availability for chaperones, then the subsequent field trips will also hold a lottery for chaperone selection and preference will be given to those families who did not have the opportunity to attend a previous field trip.

All chaperones must complete a criminal background check and a Chaperone Agreement Form 4 weeks prior to a field trip and be cleared by the district.

FUND-RAISING

The principal must approve all fund-raising projects. Fundraisers must also meet with the approval of the superintendent's management council and be placed on the school district's activity calendar.

HALL PASSES

Students requesting a pass will access the e-Hall pass system prior to leaving the classroom. Students are expected to remain in the classroom pod for restroom/drinking fountain use. Students not attending class in a pod should use the restroom/drinking fountain assigned to them through e-Hall pass.

HEAD LICE

If a staff member suspects a student has head lice, he/she will discreetly report this to the school nurse or administration. If a student is found to have head lice, verbal and written instructions for treatment options are given to the family of the student by the district nurse or main office. The student is allowed to remain in the classroom that day if comfortable.

If they have been treated, are lice free and nit free within $\frac{1}{4}$ of an inch from the scalp, the student may return to school the following day. The student will need to be taken to the office the morning they return, to have their head checked by the office. If any live lice or nits near the scalp are found, the student will be sent back home.

HOMEWORK

There are times students will be assigned work for home study throughout the school year. A student's success in class is greatly affected by the completion of such homework. We ask for your cooperation in making sure that your child completes his/her work through the use of a planned study time at home. Staff posts academic information in Schoology.

ILLNESS

Families are encouraged to screen their child daily for symptoms of possible illness. Please help us by keeping children at home if there is an elevated temperature, vomiting and/or diarrhea or a physician's diagnosed communicable disease.

There are times when a student will need to be excluded from school until they are feeling better. A student with a fever above 100.4 degrees needs to be fever free, without any fever-reducing medication, for 24 hours prior to returning to school. If the student has more than two loose or watery stools, they will need to have no loose stools for 24 hours prior to returning to school. The exception to this rule is if a physician has determined that the

student is not infectious, and a note is provided to the front office. Abdominal pain that is intermittent and associated with other symptoms or is persistent without improvement. Exclusion will occur for vomiting once, with other symptoms present or twice with no other symptoms present. Student should have no vomiting for 24 hours before returning to school. This list is not a comprehensive list of what may cause a student to be excluded from school, please contact the main office or the district nurse if you have any questions.

Should children become ill at school or should staff suspect illness, we will request the student be picked up from school. We are not able to accommodate sick children for extended periods of time. All students must have a minimum of two phone contacts on their emergency contact list. Please help us by having an established plan in place to pick your child up from school within **one hour** of receiving a call. If a medical manor is urgent but does not necessarily require emergency medical services (EMS), the school will first contact the parent or guardian. If no one is available to take the student to the appropriate medical service, EMS will be called to take the student to be seen by a medical professional.

The school follows current public health practices, rules and regulations governing the control and prevention of communicable disease that are set up by the State and County Health Departments. For further information or guidelines visit the website for Oakland County: www.oakgov.com/health or call 248-858-1280 for more information. ** Please call the office to arrange for homebound services if your child will be absent for more than five consecutive school days due to a serious illness, accident, injury, surgery, etc. **Homebound services require a physician's request.**

JAMFESTS

Holly Middle School will periodically offer after school Jamfests; social events that include open gym, dancing, and other activities. Dates, times and expectations for these events will be published online and will be announced in school.

- Only students who are officially enrolled at Holly Middle School may attend this event.
- Jamfests last until 4:00 p.m. It is imperative, for safety purposes, that students remain in the building until 4:00.
- If parents know the student is not able to stay the entire time, the student may not buy a ticket.
- The students are expected to follow the student code of conduct as outlined in this handbook.
- The administrator in charge of the activity has the right to refuse anyone entrance into the activity.
- Jamfests are a reward for students who engage in appropriate behavior.
 - *Students who have been suspended since the previous Jamfest or deemed ineligible by an administrator may not attend.*

Parents should pick up students promptly at 4:00 p.m.; the school is not responsible for supervision after 4:00 p.m.

LIBRARY/MEDIA CENTER

Time in the library is a privilege. There will be opportunities throughout the school year to access the library and its resources.

LOCKERS

Each student is assigned a locker for the storage of books and materials. It is the student's responsibility to see that the locker is kept locked and in order at all times. Use of stickers and defacing or destruction of lockers will result in restitution and progressive consequences. Although the school issues students a locker, we are not responsible for lost or stolen articles; therefore, it is unwise for students to share a locker or their combination with others. Any locker problem should be reported immediately to the student office. Changing the locker combination must be approved by an administrator and can be subject to a charge of \$3.00. Student lockers are school property and remain at all times under the control of the Holly Area School District. School authorities for any reason, may conduct periodic general inspections of lockers at any time, for any reason, without notice, without student consent and without a search warrant.

LOITERING

Students are not allowed to loiter in the building or on school property before or after school unless they are involved in a **school-related/supervised** activity. Suspended students are not allowed on school property or any

district function.

MAKE-UP WORK

In most cases, a student will be able to access all of their assignments and other important class material via Schoology.

If parents desire that their children be assigned class work that will be missed during a vacation period, they must make this request (on the form provided) through the front office **five school days in advance of the absence**. It should be understood that such make-up work rarely takes the place of class attendance; class activities and instruction cannot be replicated outside of the classroom. If make-up work is requested and provided, the work is **due on the first day back to school**. In the event a student will be absent beyond five (5) school days, the teacher will not be expected to provide advance work beyond the fifth day of the absence. It is acknowledged that absences beyond five days will be difficult to make up and may severely compromise the student's academic process.

If a student is ill or suspended, a parent may make a homework request by contacting the front office if the absence will extend beyond two days. Teachers are entitled to twenty-four hours to comply with requests; completed work will be expected upon the student's return to school; it is recommended that parents & students access Skyward for assignments & other pertinent information. **It is the student's responsibility to obtain and complete make-up work. Students who do not receive work in advance will be expected to have the assignments completed within the same number of days they were absent.**

Most assignments and resources can be found on the teachers Schoology classroom site.

MEDICATION

While the health of the child is the responsibility of the parent, the school recognizes that there are some circumstances when regular attendance and safety of the child in school depends on him/her being able to receive medication or medical interventions during the regular school day.

The policy for Holly Area Schools requires a Medication Administration Form or Medical Care Plan to be completed for each medication or medical intervention to be completed or dispensed at school or a school sponsored event. The form must have the specific written request and signature of both the physician and parent in order to be valid. Absolutely no medication is to be dispensed/brought to school without the Medication Administration Form or Health Care Plan completed. This includes over the counter medications such as cough drops, aspirin, etc. These forms are available in the office and on the district home page. Forms must be renewed on a **yearly** basis. For questions regarding these forms, please contact the district nurse or the main office. For over the counter medications please contact the main office or district nurse to determine what medication form is needed and if a physician signature is required.

A student may possess an epinephrine auto-injector (EpiPen®) and/or an asthma inhaler, prescribed for immediate use at the student's discretion. The decision to allow the student to self carry medication is at the discretion of the prescribing physician. Student possession and self-administration at school requires specific written authorization from the student's prescribing physician. A self carry contract will need to be completed by parent/guardian and the student. This privilege can be revoked if the student does not adhere to the policies in the self carry contract.

No student is allowed to possess or consume any prescription or non-prescription medication on school grounds or at a school-related function other than as provided for in this procedure. All medication will be secured and administered by the appropriate staff. It is the responsibility of the student to arrive at the required time for medication.

There have been a number of changes to policies and procedures within the Holly Area Schools regarding medication use. These changes reflect policy put forth by both State and Federal governments. Please click the link below to access information and forms related to medical plans.

NEWSLETTERS

School newsletters can be accessed online at <http://www.hask12.org/schools/holly-middle-school/>

ONLINE STUDENT INFORMATION

Parents will be given instructions at the beginning of the school year for accessing information in Skyward and in Schoology. These platforms allow parents to use any computer (library, office, home) to view district and school information AND communicate 24/7 with school personnel. Sites are confidential as well as secure. Students & parents are given separate access codes to assure confidentiality & to avoid tampering.

PROGRESS REPORTS

Progress reports are distributed to parents attending our Parent-Teacher and Student-Led conferences. Current grades and assignments are also posted online. Parents are encouraged to contact individual teachers if there are questions regarding this report. In the event additional monitoring is needed, we recommend parents contact the counseling office to set up a meeting with the student's teachers.

Parents may also request a hard copy of the student's grades mailed to them.

SCHOOL BREAKFAST & LUNCH PROGRAM

Breakfast is served every school day from 7:25 a.m. to 7:40 a.m. Lunch is served every school day between 10:41 AM and 12:41 AM, except when there is a half day or earlier dismissal.

The Michigan School Meals program allows Michigan public school districts to offer breakfast and lunch to all students for free for the 2024-25 school year. Even though school meals are free, families must submit a Educational Benefits Application to their school so individual students can benefit from this program.

Ala carte items are also available for sale, but these do not qualify for the free program. Students will need to have funds available in the lunch account. **No charging for ala carte items will be allowed.**

Students eat lunch during their designated lunch period. Our dining area provides a daily hot lunch program and an ala carte menu that provides a variety of options. Microwave ovens are available for student use.

SEARCH AND SEIZURE

To maintain order and discipline in the schools and to protect the safety and welfare of students and school personnel, school authorities may search a student, student lockers, and desks under the circumstances outlined below and may seize any illegal, unauthorized, or contraband materials discovered in the search. Student lockers and desks are school property and remain at all times under the control of the school district; however, students are expected to assume full responsibility for the security of their lockers and desks. Students should not expect

privacy regarding items placed in school property because school property is subject to search at any time by school officials. School authorities may conduct periodic general inspections of lockers and desks at any time, for any reason, without notice, student consent, or a search warrant. A student's failure to permit searches and seizures as provided in the policy will be considered grounds for disciplinary action. A student's person and/or personal effects (e.g., purse, book bag, athletic bag) may be searched whenever a school official has reasonable suspicion to believe that the student is in possession of illegal or unauthorized materials. If a properly conducted search yields illegal or contraband materials, such findings shall be turned over to proper legal authorities for ultimate disposition.

SKATEBOARDS, ROLLER BLADES, ROLLER SHOES AND ROLLER SKATES

Students shall not use roller blades, roller skates, roller shoes or skateboards on school grounds at any time, whether during or after school hours, including all outdoor and indoor recess periods. Please refer to brochures from Transportation regarding restrictions on transporting these and other large items on school buses.

STUDENT COUNCIL (CLASS COUNCIL)

The purpose of the student council is to plan activities to support school & community. Parental permission is required.

STUDENT RECORDS

Each year the HAS is required to give notice of the various rights accorded to parents or students pursuant to the Family Educational Rights and Privacy Act ("FERPA"). A copy of the Holly Area School's FERPA policy can be obtained in the main office at HMS.

TECHNOLOGY USE GUIDELINES

TAKING CARE OF YOUR DISTRICT PROVIDED MOBILE COMPUTING DEVICE (MCD)

Students are responsible for the general care of the MCD they have been issued by the school.

MCD's that are broken or fail to work properly must be reported.

If a student is off-site (at home, OTC, etc) , report the issue to the Oakland Schools Service Desk as soon as possible to see if the issue can be resolved remotely.

To submit a ticket with the OS Help Desk, use the following link: [Oakland Schools Technology Support Portal](#)
Call: 248-209-2060

While a student is on-site (at their assigned building) the student should report the issue to their classroom teacher and they will be directed to their front office staff for assistance.

District-owned MCD's should never be taken to an outside computer service for any type of repairs or maintenance.

Students should never leave their MCD unattended except locked in their locker.

GENERAL EXPECTATIONS

- Students are expected to bring their device fully charged and prepared for learning.
- It is advised that students bring the power cord/charger to school each day to ensure the device is usable the entire school day
- Students are responsible for the general care of the Chromebook or iPad the district has provided them.
- If your family opted out of using a district device, your child is expected to bring their personal device to school every day for use in the classroom.

GENERAL PRECAUTIONS

- No food or drink should be consumed next to or directly over the MCD's while using the devices.
- Cords, cables, and removable storage devices must be inserted carefully into MCD's.
- Devices should not be used with the power cord plugged in when the cord may be a tripping hazard.
- MCD's must remain free of any writing, drawing, stickers, and labels.
- Devices must be properly shut down daily to allow for updates and to prolong battery life.
- Cords and cables should be unplugged before storing the device in a case or backpack.
- Devices must never be placed in unlocked cars or lockers or any unsupervised area or left unattended.

TRANSPORTING/CARRYING MCD'S

- Always transport MCD's with care. Failure to do so may result in disciplinary action.
- The device should be transported to school in a laptop bag or backpack. Do not overload bags with other items where pressure would be placed on the device.
- Always close the lids or cover and disconnect all cords before carrying.
- While closing the lids be sure there is nothing between the screen and keyboard.
- Power cables should be removed when transporting devices. Try to store the power cable and other school supplies in a separate compartment from the device.
- Never lift chromebooks by the screen.
- Never carry chromebooks with the screen open or with cords connected.
- If the iPad comes with a case, it should remain on the device at all times.
- Do not hit, drop or throw the laptop bag or backpack (with chromebook or iPad inside) against the wall, locker or floor as it could damage the device. Carefully set your bag down when devices are inside.

SCREEN CARE

The MCD screen can be damaged if subjected to heavy objects, rough treatment, some cleaning solvents, and other liquids. The screens are particularly sensitive to damage from excessive pressure.

- Do not put pressure on the top of a chromebook when it is closed or on the iPad screen.
- Do not store a Chromebook with the screen open.
- Make sure there is nothing on the keyboard before closing the lid (e.g. pens, pencils, etc.)
- For both the chromebook and iPad, only clean the screen with a soft, dry microfiber cloth or anti-static cloth.
- Do not poke or scratch at the screen.

ASSET TAGS

- All MCD's will be labeled with a District asset tag.
- Asset tags may not be modified or tampered with in any way.
- Students may be charged up to the full replacement cost of a MCD for tampering with a District asset tag or turning in a MCD without a District asset tag.
- If the student notices the asset tag is loose on the device, report this to the student's main office.

DAMAGE

- Students are expected to report any loss or damage to their device immediately to a classroom teacher or the main office.
- If a device was stolen, the student (parent/guardian) should file a police report asap. Then drop off a copy of the police report to your students' schools front office.
- Damage caused by another student (non-owner) must be immediately reported to a classroom teacher or the main office.
- Students (parents/guardians) are responsible for damage, loss or theft of a district issued computing device. The repair fees are set at the beginning of the school year based upon the actual repair costs provided to the district by an authorized repair facility.
- **Students who do not return any device and/or pay for damages/replacement to the district will be excluded from graduation ceremonies and activities. The District reserves the right to press criminal charges and/or bring an action for civil damages against any parent/guardian and/or student who does not return any device and/or pay for damages/replacement to the District, please see attachment for current repair cost.**

Instructional technology is a valuable resource for HAS students; it plays a critical role in student achievement. Students are expected to use the network in a responsible fashion in compliance with all relevant laws, school policies and guidelines. Specifically, students are not to be online without staff supervision. Students who do not comply with the district's policy and school guidelines will be subjected to consequences including, but not limited to, loss of privilege. In the case of illegal activities, law enforcement will be involved. Accounts and passwords are not to be shared with others outside of the family. Students are not to access inappropriate sites or personal online accounts while on school property or while using school-issued resources. Parent/guardian guidance in proper Internet use is essential.

TELEPHONES - OFFICE

TRANSPORTATION POLICY

A school bus is a classroom on wheels and students shall conduct themselves on the school bus the same way they conduct themselves in the classroom.

2. Treat the bus driver with courtesy and respect, following all requests promptly and politely.
3. Board and exit the bus properly; students may not ride a bus they are not assigned to.
4. Follow all bus safety procedures.
5. Use only appropriate language.

This list of rules is not all-inclusive and other offenses may give rise to student discipline. Serious violations could result in immediate suspension of bus privileges. Violations involving serious infractions may also result in school suspension and/or Board of Education hearing for expulsion. For more information regarding transportation, please access: <http://www.hask12.org/departments/transportation/>

TRANSPORTING STUDENTS TO & FROM SCHOOL- MORNING SUPERVISION INFORMATION

Parents who choose to transport students to and from school are asked to follow the signage in the parking lot for traffic flow and safety purposes. The building opens at **7:25 a.m.** for students to enter, **please do not drop off your child before 7:20 a.m.** Loitering outside is not permissible.

DISCIPLINE

STUDENT DISCIPLINE - GENERALLY

It is the Board's policy to provide students and staff with a safe learning environment free from substantial disruption. Consistent with this policy, the District may discipline students who engage in misconduct. Discipline may, but need not, include suspension or expulsion from school.

It is the Board's policy that students should rarely be suspended or expelled from school and that steps should be taken to minimize occurrences of suspension and expulsion. It is further the Board's policy to comply with all applicable state and federal laws related to student discipline.

It is the Board's expectation that this Board Policy, especially those provisions that require consideration of specific factors and the possibility of restorative practices before suspending or expelling a student, will reduce the number of out-of-school suspensions that exceed 10 days and the number of expulsions.

This Board Policy applies to all student conduct that occurs: (1) on school property; (2) at a school-sponsored or school-related event; (3) on the school bus; (4) traveling to or from school, including at a school bus stop; and (5) at any other time or place if the conduct has a direct nexus to the school environment.

STUDENT CODE OF CONDUCT

The Board directs the Superintendent to develop and regularly update a student code of conduct. The student code of conduct must: (1) identify offenses that may result in discipline; (2) identify the possible disciplinary consequences for each offense, which may, but need not, include suspension or expulsion; (3) be consistent with Board policy and applicable state and federal laws, including laws requiring mandatory suspension or expulsion; and (4) include a copy of the section of this Board Policy entitled "Suspension from Class, Subject, or Activity by Teacher."

DEFINITIONS

For purposes of this Board Policy:

- "Suspend" or "Suspension" means a disciplinary removal from school for less than 60 school days.
- "Expel" or "Expulsion" means a disciplinary removal from school for 60 or more school days.
- "Restorative practices" means practices that emphasize repairing the harm to the victim and the school community caused by a student's misconduct.

RESTORATIVE PRACTICES

Before suspending or expelling any student (except a student who possesses a firearm in a weapon-free school zone), teachers, administrators, and the Board must first determine whether restorative practices would better address the student's misconduct, recognizing the Board's policy to minimize out-of-school suspensions and expulsions. Likewise, when suspending or expelling a student, teachers, administrators, and the Board must consider whether restorative practices should be used in addition to the suspension or expulsion. Restorative practices, which may include a victim-offender conference, should be the first consideration to remediate offenses such as interpersonal conflicts, bullying, verbal and physical conflicts, theft, damage to property, class disruption, and harassment and cyberbullying.

When restorative practices are offered by the school administration, active participation may result in a reduction of total days of suspension. Pending the disciplinary offense and a review of the 7 Factors as noted in the Student Discipline board policy, administration may provide the student an opportunity to participate in restorative justice programming (course, video, instruction, etc.) during after-school hours. Attendance and completion of restorative practice programming may result in a reduction in the number of days suspended. Parents are strongly encouraged to support and participate with their student in the completion of after-school restorative justice programming as a way to educate the student on positive choices and prevention of the same behavior in the future.

DISCIPLINARY PROCEDURES

(Not necessarily in progressive order)

DUE PROCESS

(or Referral Form)

Due Process will include the appropriate hearings and reviews and, in all cases, the rights of individuals will be ensured and protected.

A student has full rights and citizenship as defined by the Constitution of the United States and assumes the responsibility to take positive actions relative to this Constitution; the laws of the State of Michigan; and the policies, rules and regulations of the Holly Board of Education.

- The student shall be informed of the specific charges, which could be the basis for disciplinary action to be taken against him/her and be given a chance to admit or deny the charge.
- If the student denies the charge the student will be informed of the nature of the evidence and will have the right to present to the school administrator any relevant information, which will support his/her case.

WARNING

A notice to a student that a behavioral choice is unacceptable and may result in stronger action if not corrected.

STUDENT CONFERENCE

Student and staff member discuss and resolve behavioral concerns.

PARENT CONFERENCE

A conference involving the parent(s) and staff member(s) for the purpose of discussing and solving behavioral concerns. The emphasis is on enlisting the assistance of the parent(s). The student may also be involved in a parent conference.

REFERRAL TO A RESOURCE AGENCY OR PERSON

Referral to an in-school or out-of-school agency or person may be made whenever it is felt that such an agency or person may be of assistance in the solution of a behavioral concern. A referral normally would be made with the cooperation of the student and/or parent(s).

COMMUNITY SERVICE

Time spent after normal school hours when a student assists a staff person to improve the appearance and/or cleanliness of the school.

DETENTION

Students can be assigned a detention for a variety of violations to the Student Code of Conduct.

Lunch detentions: At teacher's or administration's discretion.

Detentions 1-3: Student is assigned a 45 minute after school detention.

Detentions 4+: Student will serve an in school/out of school suspension, a Saturday School experience.

*If a student does not serve an assigned **after school detention** they will serve an in school/out of school suspension or Saturday School.*

SUSPENSION AND EXPULSION - SPECIFIC EXAMPLES

To ensure a safe learning environment for all students, under certain circumstances a student may be denied the privilege of attending Holly Middle School. Participation in any of the following behaviors/activities may result in a student's removal from school and school related activities:

REMOVAL FROM CLASS

If a student is directed to leave class for disciplinary reasons they must report to the Student Office, sign in, conference with their counselor or the assistant principal upon arrival, and conference with the teacher at a later time. Removal from class may result in further disciplinary actions assigned by the administration/teacher.

MEETING WITH A POLICE LIAISON OR SUPERINTENDENT

An intervention intended to impress on the student the seriousness of their misbehavior. If behavior is not corrected, a Board of Education hearing follows.

IN-SCHOOL SUSPENSION

Is an alternative setting that removes the student from the classroom and regular school day, while still allowing a student to attend school and complete their schoolwork in an alternative setting within the school, under staff supervision.

OUT-OF-SCHOOL SUSPENSION

Is a temporary suspension from school for a specified number of days (up to 10 days). **While a student is suspended, they are not allowed on campus, at school or district activities or events.**

EXPULSION

This can occur only following action by the Board of Education. As a result, a student is excluded from school for an extended period of time (beyond 10 days).

ANTI-DRUG INTERVENTION

First time violators with alcohol or drug related offenses might be given the option of participating in an anti-drug program, to reduce the length of suspension time or in lieu of school expulsion. The program must be an educational intervention program. Participation of a parent/guardian is mandatory and all fees and transportation are the responsibility of the parent/guardian.

PROCEDURE FOR SUSPENSIONS

1. The student shall be informed of the specific charges that could be the basis for disciplinary action to be taken against him/her and be given a chance to admit or deny the charges.
2. If the student denies the charge, the student will be informed of the nature of the evidence and will have the right to present to the school administrator any relevant information that will support his/her case.
3. If the student is suspended by the school administrator, the administrator:
 - a. Notifies the parents, promptly by phone and/or in writing, of the duration of the suspension, the reasons for it, and the steps necessary to effectuate the student's return; and
 - b. Discusses with the parent(s) or guardian(s) and the student to plan satisfactory return of the student to the school setting.
 - c. When a student is suspended, he/she will not be permitted to use district transportation. Parents or guardians must make arrangements to pick up the suspended student before the end of the school day.
 - d. For the duration of a suspension, the student will not be permitted on school grounds or at any school events.

CRIMINAL ACTS

A student's commission of, or participation in, any acts prohibited by federal or state law or local ordinance also violates the student code of conduct when such acts affect the safe and orderly operation of the school, including but not limited to acts committed on school property, on school-sponsored transportation, or related to any school program, function or activity. School officials may take disciplinary action regardless of whether criminal charges result. Examples of such criminal acts include, but are not limited to: arson, assault, battery, theft, extortion, blackmail, threats, vandalism, trespassing, false alarms/reports, and weapon violations.

DISCIPLINARY INFRACTIONS

The rules and policies of the Holly Area School District apply to any student who is on school property, school-affiliated transportation, in attendance at school or at any school-sponsored activity, or whose conduct at any time or place interferes with the operations, discipline, or general welfare of the school, regardless of location, date or time. The goal of the threat assessment process is to take appropriate preventive or corrective measures to maintain a safe school environment, protect and support potential victims of a threat, and provide assistance, as appropriate, to the student being assessed.

What behaviors warrant initiation of a Threat Assessment?

What is a Threat Assessment Team?

Holly Area Schools uses a trained, multidisciplinary threat assessment team. Each team is headed by the building Principal and includes the Safety and Security Director, a mental health professional, instructional personnel, and the School Resource Police Officer. The district's legal counsel is also consulted as needed.

What is the Purpose of a Student Threat Assessment?

The purposes of a student threat assessment are:

- To ensure the safety of students, staff, parents and others.
- To ensure a full understanding of the context of the threat.
- To understand factors contributing to the person of concern's behavior.
- To be proactive in developing an intervention plan that addresses the emotional and physical safety of the person of concern.
- To promote the emotional and physical safety of all.

What Happens in a Student Threat Assessment?

All threat-making behavior by a student shall be reported to an administrator who will activate the protocol for the initial response. Once the team has been activated, interviews may be held with the student(s), the person of concern, parents and staff to determine the level of risk and develop an appropriate response to the incident. Intervention plans will be developed and shared with parents, staff and students as required.

What Parents and Students Need to Know

- Threats must be reported to the school administration.
- Investigations may involve students, teachers, counselors, the police or other community agencies.
- Investigations may involve locker or personal property searches.
- Interviews will be held with the threat maker and other students or adults who may have information about the threat.
- Parents of students who are directly involved will be notified.

- Threatening behavior may result in disciplinary action.
- An intervention plan may be developed for the student making the threat and a support plan developed for any individuals targeted by threats as needed.
- Regardless of threat assessment activities or protocols, disciplinary action and referral to law enforcement shall occur as required by State law and Board policy.
- Threat assessment team members maintain student confidentiality at all times as required by Board Policy 8330-Student Records, and State and Federal law.

This policy and procedure is consistent with the process for identifying, assessing, and managing students who may pose a threat as set forth in the joint U.S. Secret Service and Department of Homeland Security publication, *Enhancing School Safety Using a Threat Assessment Model: An Operational Guide for Preventing Targeted School Violence*.
